

JOHN E. MADDUX

630 Pinetree Dr, Decatur, GA 30030 | 404-310-8234 | jemaddux@gmail.com, <http://jemaddux.com>

EDUCATION

gSchool, Denver, CO

Rubyist and Ruby on Rails Developer

2013

While in this program I have built over 40 repositories available on Github. (github.com/jemaddux)

Honors: Push code among the top 15 percent of Rubyist on Github.

Georgia Institute of Technology

Masters of Business Administration, Evening Degree Program

Fall 2011–Present

My degree is in progress. I am currently pursuing an MBA with an emphasis on technology and entrepreneurship.

Georgia Institute of Technology

2009

B.S. in International Affairs

Honors: Dean's List 3 semesters

SKILLS

HTML Certification, O'Reilly School of Technology

2011

CSS Certification, O'Reilly School of Technology

2011

WORK EXPERIENCE

Keller-Williams Realty, Decatur, Georgia

Realtor

Aug 2010 – Jan 2012

I assisted Decatur residents with purchasing new homes and condominiums. I also marketed my sales and expertise using WordPress.

Decatur, Georgia

Private Tutor

Jan 2005–May 2010

I helped local high school students develop their test-taking skills for the ACT and SAT, using methods such as flashcards and practice tests. These methods helped improve students' test-taking skills, pacing, and approaches to problem solving.

WEBSITES

GitHub-jet_fuel– https://github.com/jemaddux/jet_fuel

This is a link shortening service that I build using Ruby on Rails. Online at jetfuel.herokuapp.com.

2013

Github-traffic_spy– https://github.com/jemaddux/traffic_spy

This is a Google Analytics clone that I co-developed. Traffic Spy receives data from websites and displays their statistics online.

2013

Github-daughter_of_store_engine– https://github.com/jemaddux/daughter_of_store_engine

This is a multi-tenant web store that allows for custom CSS per website I co-developed.

2013

INTERESTS

Photography, Traveling, and Coding
